The Muzrai Secretary's note of the 27th March last explains the circumstances of Mr. Venkataramashastry's sudden transfer to Bangalore in July 1898, from Mysore where he was principal of the Sanskrit Patasala. On account of his short temper, it has not been found possible to assign any work to him and he has remained so for the past seven years. There is no need to keep up his appointment and it may be abolished. The pay of the appointment, viz. Rs150 per month, may be utilized partly for appointing an Adhyaksha for the Bangalore Chamarajendra Sanskrit Patasala and partly for improving the emoluments of the Pandits, Many of whom have had no promotion for the past several years.

Mr. Venkataramashastry may ~~perhaps~~ be tried as an Assistant Deputy Inspector of Sanskrit schools, which appointment has been recently sanctioned, on the maximum pay of Rs100 per month, unless he chooses to retire on such pension as he may have earned for the eleven years of his service. The Sanskrit Patasalas are all Grant-in-aid institutions, and the Assistant Deputy Inspector is only concerned with the work of testing the progress of the students. His temperament is not likely to handicap him in this work.

MUZRAI DEPARTMENT.

OFFICE NOTE.

Subject.

Mr. S. Venkataramasastri's applⁿ to be allowed recess leave for 10 weeks.

LAST REFERENCE:—

Letter No. dated 29th June 1904 from the same.

Mr. S. Venkataramasastri, Principal of H.H. the Maharaja's Sanskrit College Mysore, now doing duty in the Chamarajendra Sanskrit College Bangalore, and Pandit Visweswarasastri of the latter College, were deputed to teach the M.A. Student in the latter College and the major portion of the teaching work devolved upon the former gentleman. In view to finish the M.A. Subjects by the end of June 1904, Mr. Venkataramasastri had to forego the last two recesses in the College and as the student having finished his subjects here, is leaving for Madras shortly, Mr Sastri requests that he may be allowed a consolidated recess of 10 weeks to enable him to attend to his private urgent affairs in his native place & is desirous to avail himself of the leave from the 26th July 1904, or even earlier, if permitted to do so.

Submitted
Ks
2/7/04

Other than teaching the M.A. Student, Mr Venkataramanasastri has no specific work in the College, and the College work will not suffer by his being ~~permitted~~ shown the concession asked for.

Mr Venkatarama Shastri has worked hard to train up the M.A student sacrificing his half yearly recess. I think therefore that his request may be complied with. His absence for a couple of months will not inconvenience the work of the Sanskrit College in any way.

Note.

In February 1894 Mr. S. Venkatarama Sastry B.A was at the special recommendation of Sir Seshadri Iyer to His Highness the late Maharaja, appointed Principal of the Sanskrit College, Mysore on a salary of Rs. 150. He worked in the College as Principal till 1898, when by the order No. 1-2/Muz. F. 25-92 dated 1st July 1898, he was temporarily transferred to the Chamarajendra Sanskrit College, Bangalore. The order directed him to hand over charge of the College to the Secretary of the Mysore Sanskrit College Committee and to report himself for duty to the President of the Chamarajendra Sanskrit College, Bangalore. forthwith." The order does not assign any reason for his tranfer. Since his transfer to this College he was for some time teaching Bhandarakar and Vedartha. He taught the M.A. student for some time. He receives his pay from the funds of the Mysore Sanskrit College.

2. I am informed that Mr. Venkatarama Sastry's sudden transfer from Mysore to Bangalore was due to the fact that he was very short tempered and treated the Pandits of the Mysore Sanskrit College in an arbitrary and disrespectful manner. The Pandits having personally complained to Her Highness the Maharani Regent, his immediate transfer from Mysore was ordered For the same reason he is given no hand in the management of the Bangalore Sanskrit College, which has been looked after for many years past by Mr. H. Srinivasa Rao, Manager of the Muzrai Secretariat.

3. Mr. Venkatarama Sastry has little or no work in the Bangalore Sanskrit College as the Sanskrit work is all done by the Sanskrit Pandits. He too feels discouraged as no suitable work is given to him and no promotion was given to him ever since his first appointment. His transfer to some other post would give him some work to do and would set free a sum of Rs. 150 per

improvin

the pay of the Pandits of the Mysore and Bangalore Sanskrit Colleges.

4. It should be added in justice to Mr. Venkatarama Sastry that he is a man of really high attainments in Sanskrit and that he gave great and useful help to the student D. Srinivasa Char who recently passed the M.A. Degree Examination in Sanskrit. He was at one time an Examiner for the M.A Examination in Sanskrit.

5. The papers on this subject were called for by the Dewan this morning.

In the recent re-organization of the Inspectorate, provision has been made for an Assistant Deputy Inspector for the inspection of Sanskrit Schools. Venkataramashastry is getting a pay of Rs150 per month as Principal of the Sanskrit College, Mysore, without doing any work. A Principal for this College has been deemed unnecessary, and the present opportunity may be taken to appoint Venkataramashastry as Assistant Deputy Inspector of Schools, giving him the maximum pay of the grade, viz., Rs100. Thereby he will lose Rs50, but there is no other place for him on the abolition of his present appointment. In case he is not willing to be drafted as an Assistant Deputy Inspector, he may be permitted to retire on such pension as he may get. He is now 52 years old and has served for 13 years.

Govt Pro. No. 1653-[illegible], dated 27th September 1905, were accordingly passed abolishing the Principalship in H.H. the Maharaja's Sanskrit College, Mysore, and appointing Mr. S. Venkataramana Sastri, B.A., as Assistant Deputy Inspector of Sanskrit Schools, on the minimum pay of that grade, viz., Rs 100/- per mensem.

E

On the 28th September 1905, Mr. Venkataramana Sastri petitioned this Office stating that he could not, without self-humiliation, accept the Assistant Deputy Inspector's post on the reduced pay of Rs 100/-, and that if Government were not disposed to re-consider his case, and give him the pay he was drawing, viz., Rs 150/-, his condition might itself be treated [illegible] for pension.

F

He has since [illegible] addressed to H.H. the Maharaja, [illegible] Endorsement from the [illegible]

Highness to the effect that his representation should be submitted through his official superior. In the memorial he describes the services rendered by him and prays that he may be given an appointment on a pay not less than what he was drawing, viz., Rs 150/- per mensem.

In another recent petition dated 18th October 1905, he prays that he may be given privilege leave and furlough for one year to enable him to secure a suitable appointment elsewhere.

As regards the memorial to His Highness, orders are solicited.

As regards privilege leave, he is not entitled to it as he was enjoying annual vacations, and no furlough can, I think, be granted, as his appointment has been abolished and no amount is available to pay furlough allowances.

Muzrai Secretary's Note of 27th March 1905, reporting that ~~Mr~~. S Venkataramashastry B.A., Principal of the Sanskrit College, at Mysore, but now attached to the Bangalore Chamarajendra Sanskrit College, has little or no work and suggesting his employment elsewhere, his pay of Rs 150 per month which would thereby be set free being utilized for improving the pay of the Pandits of the Mysore and Bangalore Sanskrit Colleges.

Order thereon No. 1658-6 dated 27-9-05

The appointment of a principal for the Sanskrit College at Mysore is found to be a superfluity as the College has been working without a Principal ever since ~~Mr~~. Venkataramashastry was transferred to Bangalore in 1898. In these circumstances the appointment is abolished and the suggestion to utilize the pay thus saved to improve the prospects of the Pandits employed in the Mysore and Bangalore Sanskrit Colleges will be considered.

suitable place for ~~Mr~~. Venkatararashastry has not been easy of solution. In the order transferring him to Bangalore in July 1898, no reason has been assigned for the transfer. It is however understood that it was due to his short temper and his inability to carry on the work of the College smoothly. For the same reason, it is found, he has been given no hand in the management of the Bangalore Sanskirt College. Mr. Bhabha who was consulted in the matter is unable to find any place where he can be usefully employed. In consideration however, of ~~Mr~~. Venkataramashastry's attainments in Sanskrit, the Government are willing to give him a further trial and are pleased to appoint him as an Assistant Deputy Inspector of Sanskrit schools, which appointment has been recently sanctioned, on the maximum pay of Rs.100 per month. Mr. Venkataramashastry will report himself to the Inspector General of Education who is requested to report regarding his work at the end of a year.

OFFICE OF THE PRIVATE SECRETARY TO
H. H. THE MAHARAJA OF MYSORE.

No. 459/1

Dated Mysore, 2nd October 1905.

Petition dated 29th September 1905 is herewith returned to Mr.S.Venkatarama Sastri, Bangalore, with the intimation that his memorial should be submitted through his official superior.

By Order,

E Maconochie

I.C.S.

Private Secretary.

To

His Highness Sri Krishnarajendra Wudayar Bahadur,
Maharaja of Mysore.

The humble Memorial of S.Venkatarama Sastri,B.A.,
Principal of His Highness the Maharaja's Sanskrit
College, Mysore, doing duty hitherto in the Sri
Chamarajendra Sanskrit College, Bangalore is as
follows:-

May it please Your Highness,

I have been asked to take up the post of Assistant Deputy Inspector of Sanskrit Schools, carrying a monthly maximum salary of Rs 100/-. This figure is but two-thirds of the pay I have been drawing ever since my entering the Mysore Service in February 1894.

2. I came to Mysore at the invitation of the late Sir.K. Sheshadri Iyer. He had heard of my successful work in the cause of unaided education in connection with the Native High School, Kumbhakonam as its Proprietor and Founder from 1876 to 1887 and then in connection with the Amaravati High School, an Anglo-Vedic Institution in the Coimbatore District of the Madras Presidency. He had ascertained that for a number of years in succession I had been selected by the Senate of the Madras University as an Examiner in Sanskrit up to the M.A. standard. He had seen also my English Translation of the Marriage Ritual which adduced scriptural authorities in favor of the Mysore Infant Marriage Prevention Regulation,1894, then in preparation. He therefore recommended me as most competent to be put at the head of the foremost Sanskrit Institution in the Model State.

3. My antecedents and qualifications are set forth in the State paper containing the correspondence that passed between

Sir

Sir.K.Sheshadri Iyer and Your Highness' Illustrious Father His Late Highness Sri Chamarajendra Wudayar Bahadur, culminating in my introduction as Principal of His Highness the Maharaja's Sanskrit College, Mysore on a salary of Rs 150/- per mensem.

4. Holding my appointment under such favorable auspices, I have been thinking that I should not be deprived of it without cause. I am not conscious of having done anything wrong or having been guilty of any dereliction of duty; but on the other hand I have been doing to the best of my might, the duties entrusted to me by my superiors in authority.

5. It is not a year since the student I have been training up for the M.A.Degree Examination in Sanskrit came out successful. I have been expecting some addition to my pay as a reward for the diligent performance of my work.

6. Under these circumstances, the order announcing the abolition of my original appointment and transferring me to another on reduced pay has come upon me like a thunderbolt and forces me to think of retirement from service on proportionate pension. But I am not yet fifty-five years old and it is not surely impossible for Your Highness' Government to find me work in any one of the numerous Educational Institutions of the Mysore State, on the same pay atleast if it cannot be on promotion.

7. If, upon a perusal of the papers connected with my original appointment, Your Highness should feel convinced of my having been unfairly treated, I pray orders may be communicated to me to my address in Chamarajendrapete, Bangalore City.

8. I have been happy during the nearly twelve years I have remained in the Mysore State and it is my cherished wish to serve Your Highness' Government as long as I am fit for work. I had been serving during the worst years of the Plague epi-

in Bangalore and I venture to submit that I deserve a better treatment than being reduced and summarily forced to retire before I become superannuated.

9. I make this Appeal in full hopes of getting redress. With my fervent prayers for Your Highness' long life and prosperity,

I beg to remain
Your Highness'
Most obedient & humble Servant

To

Sir P.N.Krishna Murti, B.L.K.C.I.E.,
Dewan of Mysore.

Respected Sir,

In the brief interview which you were good enough to allow me on Monday last, I was told that the proposal to reduce my pay from Rs 150/- to Rs 100/- per mensem arose from your impression that upto the advent of Mr D.Srinivasachari, the M.A.student, into the Sanskrit College, I had been drawing pay without doing any work. I undertook to give convincing proofs of my having done work till that period in the several capacities in which I had been employed.

2. The accompanying table shows the where, the when and the how I did my work in the period intervening between my appointment in February 1894 and the appearance of Mr D.Srinivasachari as M.A. student in May 1903. A reference to the records adverted to in the table will establish the fact that in every capacity in which I had to work, I discharged my duties faithfully and no blame could attach to me on that score.

3. After my transfer to the Sanskrit College, Bangalore, I was not given independent power to initiate or organize any course of study suitable to the students of the college, but had to conform at the bidding of the College Committee, to such directions as they issued. My repeated prayers to be given work of a better quality elsewhere were not heeded. I should have attracted more notice, become more popular and bettered both my pay and prospects if I had been given work in any of the English Colleges. This is a great grievance of mine. Persons who entered the Mysore Service later and on less pay have been accorded better pay and occupy a higher status. The irony of fate is revealed in the proposal to reduce my pay and status on the hypothetical charge that I have been grossly neglecting my duties.

4. My work in connection with Mr D.Srinivasachari, the M.A. student is already known and testified to by the University results and there is no need to expatiate upon it.

I beg to remain,

Sir,

Your most obedient servant,

S. Venkatarama Sastri

My dear Mr Anantaswamy Rao:

The Dewan desires to know if you can find a place for Navinam Ramanujachar of Mysore in any of the Sanskrit colleges on a pay of Rs 50 or 80

Yours sincerely,

Note.

In the D.O from Mr. M.Shama Rao, M.A., Assistant Secretary with the Dewan, dated the 26th April 1905, I have been asked to state whether a place of Rs 50 or so can be found for Pandit Naveenam Ramanuja Chariar of Indore, in any of the Sanskrit Colleges in the Mysore State.

2. The amount allotted for the Mysore Sanskrit College is Rs 16,222-15-11 per annum, of which Rs 7,222-15-11 are from the Muzrai Department and Rs 9,000/- from the Education Department The whole of this amount is now fully spent. The scale of pay of the teachers having been found to be very low, some funds were recently appropriated from the head "Scholarships", and the pay of the teachers somewhat improved (vide Government Proceedings No. 2077-80/Muz.F. 25-92, dated 20th January 1904 and Proceedings No. 2083-4/ Muz.F. 25-92, dated 5th December 1904, put up herewith). There are now no vacancies in the teaching staff of that College.

3. The Bangalore Sanskrit College is much

per mensem derived from various sources as noted in the margin. Not only is its income wholly spent but it was found necessary some time back to order payment from the Mysore Sanskrit College funds, of the salary of the Dwaita Vedanta Teacher recently appointed and of the scholarships payable to the pupils studying Vedanta in the Bangalore College. There are thus no savings from that College.

4. Thus there are no funds available for finding a place of Rs 50 or so for Pandit Naveenam Ramanuja Chariar unless Mr. Venkatarama Sastriar is transferred to another Department and his pay of Rs 150 per mensem is saved to the Muzrai Department. A Note on the latter subject was submitted to the Dewan some days back.

Proposal to establish a few special sanskrit schools in the Province.

These institutions 8 or 9 in number are proposed to be opened with a view to impart a sound instruction in sanskrit combined with a systematic course of elementary General Education in the vernacular language.

2. The necessity for such a measure will be apparent when it is considered that much attention is not paid by the students to the study of sanskrit in the English schools, and the recipients of purely sanskrit Education without general education, fail to obtain any useful occupation in after life, for lack of knowledge in general subjects. The place allotted to sanskrit in the English schools being only subsidiary to English, the average Anglo-sanskrit student possesses but a superficial knowledge

of his second language. neither do the petty sanskrit schools now scattered throughout the Province satisfy the existing want; for apart from the entire absence of any general education in these schools the standard of sanskrit instruction imparted therein is itself too low to serve any practical purpose.

3. I would therefore suggest that a few special sanskrit schools -Corresponding to the English High schools – under the designation of "ಸಂಸ್ಕೃತ ಸಾಹಿತ್ಯ ಪಾಠಶಾಲಾ" be established, where sanskrit will take the place of the First language and instruction in the General subjects of Mathematics, History and Geography be imparted in the Kanarese Language. The Highest standard of instruction in these schools will be Nataka in sanskrit together with the first principles of sanskrit Vyakarna and Tharka, and that of the matriculation Examination in the general

subjects. Classes will be organised in them as in English schools and graduated in standard so as to finish the prescribed course in 8 years. Students desiring instruction in the higher portions of Tharka, Vyakarna and other special subjects may go to the Sanskrit College at Mysore, which together with the proposed High schools will form a completely organised set of Sanskrit Institutions in the Province.

4 A statement shewing the subjects to be taught and the standards of instruction in each is hereto annexed. Instruction in the Sanskrit language will be imparted on the old recognised Hindu method which is the only one with slight modifications best calculated to give to the students a sound knowledge of the Language. The General subjects will of course be taught in Kanarese according to the English method. The school time tables will be so drawn up as to give the greater part of the working

hours to the teaching of sanskrit.

5. In order that these sanskrit schools may work successfully, one or two persons who have received the benefit of a good University Education will have to be appointed to teach the General subjects. The cost of maintaining each of these institutions on the lines laid out herein will approximately amount to Rs150/- per mensem.

6. Of the existing Sanskrit schools a few which receive a decent grant such as those noted.* in the margin,* may at once be brought up to the required standard by slightly revising the teaching staff and the curriculum of studies; the others which receive comparatively small grants being for the present entirely left out of consideration as "non-standard" schools.

1. Melkote Patasala
2. Sadvidya Patasala, at Mysore.
3. Narsappa's Patasala at Mysore.
4. Sanskrit school at Chikballapur.

7. The scheme in outline

prepared

prepared by the Education Secretary —— shewing the classification and standards of the different kinds of schools — Vernacular, English and sanskrit — will not I fear suit the study of sanskrit. The first objection to the scheme is the proposal to permit the study of sanskrit being commenced only after completing a preliminary course in the Vernacular which, according to his arrangements is to extend over a period of 4 years. Even supposing a boy is put to school at the age of 6 — the earliest age at which he can stand any intellectual strain, he will after completing his Canarese Course, be able to begin the study of Sanskrit only in his 10" or 11" year, when he will be too old to learn Amara and other similar works which must be got by rote; and by the time he finishes Nataka he will be already 20, at which age many give up their scholastic studies. I would propose that children standard in the Hobli schools be admitted into the sanskrit schools.

8. Another objection to the same is the introduction of an intermediate Examination known as the Lower Secondary Examination, the standard of which is rather low and useless for practical purposes.
